

Christine Agustin

Chemical and Biological Engineering Student

5988 Gray Avenue #111, Vancouver, BC, V6S 0G8 ctineagustin@gmail.com (604) 832-9247

SKILLS

Software	Practical	Certifications
SolidWorks	Process Flow Diagram (PFD)	Foodsafe Level 1
Python/C/MATLAB	Reactor Basics (Batch, CSTR)	BC Class 7 Driver License
Microsoft Excel	Spectrophotometry	Lab Safety
Lightroom	Pump/Valve Controls	

EDUCATION

University of British Columbia - Bachelor of Applied Science 2nd year (May 2028 grad)

- Chemical Engineering, Biological Stream
- **Courses:** Fluid Mechanics, Material Balance, Organic/Inorganic Chemistry, Computational Methods

WORK EXPERIENCE

Menno Place, Abbotsford BC Sep 2021 – Sep 2023
Dietary Aide

- Coordinated meal preparation and delivery for residents, ensuring dietary needs and preferences were met.
- Implemented streamlined food service procedures, improving meal distribution speed.
- Maintained high sanitation standards by rigorously following food safety protocols and ensuring compliance with health regulations.

STUDENT TEAMS & PROJECTS

Engineers for a Sustainable World (General Member), UBC Dec 2024 – Present

- Developing a system to convert plastic bottles into 3D printing filament, aligning with our net-zero budget initiative by funding the project through sustainability-themed prints.

Sprouts Cafe (Shift Lead), UBC Sep 2024 – Present

- Lead a team of volunteers in operating the cafe, ensuring smooth service and efficiency.
- Oversee meal preparation, customer service, and daily operations to support sustainable food initiatives.

Isopropyl alcohol (IPA) Full project proposal on production of IPA using direct hydration.	IsPETase Enzymes Developing cell-based bioprocess and designing PFD for IsPETase production.	Banana Oil Synthesis Synthesized banana oil using esterification and gas chromatography analysis.
